Garden tools and topsoil will be available. All garden tools must be returned by 12:00 p.m. Flowers will also be provided. If you have plants to share, we are going to have the perennial exchange table again.

We want to make our grounds beautiful to attract potential buyers and also for our own enjoyment!

We would also like to inform you that D & H Window Service will be at the complex within the next two - three weeks to clean the gutters. You may wish to cover your patio furniture.

Grass Cutting: Great Lakes Landscaping will be at the development on Wednesday, May 7th. Please have your backyard gate tied open. The contractors will not open gates. If you have items in the way or pet feces on the grass, the contractors will NOT cut your lawn.
