Spring Clean Up Day

We are so happy that approximately 186 families attended our Annual Spring Clean Up Day. It was a good turn out. We hope you enjoyed the pancake breakfast and socializing with your neighbors. The flowerbeds really look nice. Some yards still need a little work. Make sure the front and back of your unit looks the best it can. We want a community that we can all be proud to call our home.

We would like to welcome the following new residents to our development:

Kimberley Gray – 8214 Dartmouth
Bassam Butres & Flora Elia - 8206
Dartmouth

Wanida Manvong – 8074 Farnum
Shaun Collins – 8130 Farnum
Andriy & Olga Ilchyshyn – 8347 Busko

Should you violate this rule you could be subject to a fine. The safety of our residents, buildings and personal property must come first. Also, the City of Warren has a 10:00 p.m. curfew for all children 17 and under.
